TASTING NOTES

ON THE EYE

With intense yellow and golden reflects, the dress expresses all the characteristics of this great wine and invites you to share it.

ON THE NOSE

The first nose reveals a complex but accessible personality. A surprising maturity combined to an impertinent freshness are both making a tandem of excellence.

IN MOUTH

In coherence with the versatility of the nose, enjoy the two-stages offered by «Réserve» : the first one is mature, round and evolved as the second one is fresh, sparkling and full of joy.
